

As scientists we will:

- * Make and begin to fill in a weather chart
- * Look at seasonal changes
- * Look at animals
- * Look at humans
- * Learn body parts

As Information Technologists we will:

- * Use software to draw pictures
- * Begin to learn how to code
- * Use Microsoft Publisher

As historians we will:

- * Look at how things change, using our favourite TV shows as an example
- * Learn about William Wilberforce

As design technologists we will:

- * Design and make houses based on the three little pigs story

Year 1/2 Autumn Term 2018

**Our themes will be ...
...All about me!
&
William Wilberforce**

As geographers we will:

- * Follow maps
- * Make our own maps

As musicians we will:

- * Write the lyrics to a song
- * Create accompanying music using untuned instruments

We will visit:

- * Wilberforce house

As artists we will:

- * Create a wall of sculpted bricks
- * Create silhouette pictures

Key Questions:

- * What makes you you?
- * What is your favourite ...?
- * Can you name your body parts?
- * What is a traditional tale?
- * What do we need to do to make our houses stronger?
- * Who is William Wilberforce?
- * Can you sort these toys into your old toys and current toys?

Some ideas to carry on learning at home:

- * Read traditional tales at home
- * Research William Wilberforce
- * Begin to learn body parts
- * Make a scrapbook about your research
- * Make a fact file all about you and what you like
